

MONT  
BLANK  
LOUNGE

## II CONCETTO

Mont Blank nasce dalla sua storia, dal suo nome originario, dal profumo di buono che scaturiva dal legno lavorato.

Nasce dal piacere della creatività, dalla condivisione di un sogno quello di trasformare l'ex falegnameria di famiglia "Monte Bianco" in un luogo dove si incontrano architettura, sapori, idee ed amicizia.

La ricercatezza dei dettagli, l'eleganza di uno stile singolare, il grigio che si accosta a colori caldi concedono un'atmosfera accogliente, esclusiva e sofisticata. Il sapiente approccio di uno stile fuori dal tempo ad elementi industrial, lampade in acciaio e dettagli in corten per un ambient assolutamente unico, accolgono il cliente in un concetto sorprendente che soddisfa gli occhi ed il palato.

Alla base di Mont Blank c'è la passione per le cose belle, l'amore per il territorio, il desiderio di ricerca dei prodotti d'eccellenza e la voglia di condivisione.
